

BECOME A WORKPLACE GIVING SUPPORTER IN 3 SIMPLE STEPS

1 COMPLETE THE WORKPLACE GIVING FORM

Ask your Workplace Giving Coordinator or Payroll office if your company has a Workplace Giving form. Nominate The Smith Family as your charity and select your donation amount or child sponsorship preference.

Alternatively, you can complete the form attached to this brochure.

2 SUBMIT YOUR FORM

Please return your completed form to your Workplace Giving Coordinator, Payroll Office or a Smith Family representative if you are attending one of our presentation events.

3 ASK YOUR WORKPLACE TO CONTACT THE SMITH FAMILY

If you've chosen to sponsor a child you will need to ensure your workplace sends us your personal contact details and company details. Your payroll team can find our contact details on the next page. If you elect to receive correspondence from us about the impact of your support, you will also need to ensure your workplace passes on your details to us, regardless of whether you are a donor or sponsor.

By helping children in need make the most of their school years, you improve their chance to SHINE and create a better future for all of us.

Mitch has been donating to The Smith Family through Workplace Giving for two years. He appreciates his workplace making it so simple for him to help Australian children in need.

"By getting involved in my Workplace Giving program I've been able to set up ongoing donations through my wages. It comes out before tax so I don't notice the difference in my take home wage," says Mitch.

HOW WORKPLACE GIVING BENEFITS YOU

Your donation will be deducted from your pre-tax earnings, reducing your taxable income every pay day.

So your generosity will make a greater difference to the lives of Australian children in need.

And you don't need to collect receipts. Your total donation amount will be included in your annual PAYG payment summary.

To set up your ongoing donations, contact your Workplace Giving Coordinator or Payroll team today.

Juliana

"like someone being a lifeline...so that I can make an impact on the future."

Extra support with their education empowers a disadvantaged young person to change their world for the better. For Juliana, having someone sponsor her education was life changing.

The Smith Family has supported Juliana throughout her education, helping her to access things like school camps, text books and activities like classes in performing arts.

YOUR TIME TO SHINE

With your generous support, we can give more disadvantaged children the tools and resources they need to fit in and keep up at school and make the most of their education.

OUR PLEDGE

Over the five years to June 2018, an average of \$3 in every \$4 raised from individual supporters, corporate partners and governments has been available for spending on our community programs. And because all our programs are informed by research and carefully tracked, you can be sure that your support is making a real difference.

THE IMPACT

Last year we provided support to

143,648 disadvantaged children and young people in 94 communities across Australia, a 19% increase on the prior year.

ACT NOW

BY JOINING YOUR WORKPLACE GIVING PROGRAM, YOU PROVIDE A DISADVANTAGED CHILD WITH THE TOOLS THEY NEED TO SHINE AT SCHOOL AND CREATE A BETTER FUTURE FOR ALL OF US.

IT STOPS WITH US

One in six children and young people are currently living in poverty across Australia and this limits their choices, opportunities and outcomes in life.¹ A disadvantaged child starts school behind in basic skills like reading and as each year goes by they struggle to keep up with their classmates. Without help, the difficulties they face today will follow them into adulthood.

The Smith Family works in 94 communities across Australia to help these children, giving them the opportunities they need to make the most of their education.

Our support increases school attendance and completion. We help a child improve their reading and numeracy skills. With our support they have a clearer idea about what they can do beyond school. Together, we can open a child's mind to a world of opportunity and a future full of possibilities.

THROUGH WORKPLACE GIVING, YOU CAN GIVE THEM A CHANCE

Workplace Giving is the most effective and low cost form of fundraising. As a Workplace Giving Donor, you're investing in Australia's future. Join your Workplace Giving program and help disadvantaged kids SHINE at school.

We can provide opportunities that they would not ordinarily get, as well as the things they need for school. We provide a disadvantaged child with the same uniform, the same books, and the same opportunities as the other children at school. Our support helps them develop their confidence, social skills and self-esteem so they have the best chance at breaking the cycle of disadvantage.
