

No Year 12 Certificate? No problem.

Worried about not finishing Year 12 but still want to get into uni?
Torrens University Australia has an alternative entry pathway just for you.

Whether life's throwing challenges your way or you're eager to move forward, we've made it easy to start university without completing high school or needing a Year 12 Certificate.

Your pathway to Torrens University

If you're 17, an Australian citizen and looking for a different way to start uni, our alternative entry pathway helps you achieve your academic goals.

How it works

- **Take our 'Torrens University readiness test':** This 20-question multiple-choice test is designed to assess your comprehension skills. It's straightforward, and you have two attempts to score 70% or more.
- **No Year 12 Certificate needed:** Pass the readiness test, and you can use it in place of your Year 12 Certificate to gain entry into our diploma courses*.

*This pathway excludes the CHC51015 Diploma of Counselling VET and HLT54121 Diploma of Nursing.
