THE SMITH FAMILY'S 2020

CREATIVE

SHOWCASE

ABOUT

The 2020 Creative Showcase is here! This is your chance to get creative by sending us a piece of writing or art and you'll be in with a chance to win one of our great prizes!

How to get involved

This year, we are going digital!

This means you can use your own stationery to do a drawing, painting, collage, 3D creation or write or type a story about the theme.

Once finished, you can take a photo or upload the document to [My Smith Family](#).

To take the best photo, make sure your entry:

- Is in bright, natural light
- Is laying on a flat surface (eg a table or the floor)
- Doesn't have any shadows
- Isn't blurry.

Be sure to submit it by Monday 30th November 2020 and you'll be entered into a prize draw – we have 100 participation prizes to be won.

We will also send a copy of your entry to your Sponsor(s). They will really enjoy seeing your creativity!

WHAT SHOULD I DRAW OR WRITE ABOUT?

If you would like to submit an entry, the theme for both writing and art is:

**If I could travel anywhere in the universe
I would travel to...** (this place can be real or imaginary)

Please make sure you use this theme.

What are we looking for?

We want to see entries that show originality or a great use of colour or patterns. Let your imagination run wild! Anyone who enters has the chance to win a prize. Just have a go and have fun!

Here are some ideas to help you get started...
