President's Message

Good morning Ladies - welcome to our August meeting.

It is with a sad heart that today we acknowledge the passing of member, Maureen Egan. Thank you to those who were able to join in the Celebration of Maureen's life – may she rest in a peaceful place.

Thank you to those who participated in the Resolution process and in the completion of the Club Health survey. We will share the findings with you during our meeting. It is pleasing to see that many of you are happy with your Club and the manner in which the Committee is conducting its mission.

The "Twice But Nice" Fashion Parade fundraiser is coming together with thanks to Hazel for her organisation and to you for your contributions. This is an enormous undertaking and I urge you to support us in attending and it will be a great time to "snatch a bargain" and to share fellowship with friends.

By this time next month the National convention in Hobart will have been held. For the members attending thank you for your support and I am sure we will spend valuable and memorable time together.

Thank you for your continued generosity and spirit of friendship and welcome to all.

Best wishes for the month

Robyn K

**Our SPEAKER TODAY will be ALEXANDRA DIGGLES
Fellow of the Australian College of Physiotherapists
in the sub-specialty of women's, men's and pelvic health**

Alexandra started her career at the Mater hospital in Brisbane working on a gynaecology surgery ward. She believes so many women, having surgery for life limiting bladder issues, yet there was no follow-up or prevention.....and this had to change. She explains why she is passionate about these issues. Bladder issues affect 1 in 3 women and limits quality of life and financial security. There are also good treatment options that many people are not aware of and often they put their symptoms down to inevitable ageing. She is also passionate about improving care and access to care for people, especially women with pelvic pain and ensure no-one is limited by their health at a young age. Alexandra is happy for questions to be addressed online or in **WRITTEN** form.....you can use the **LINK** below to do this. Complete anonymity!

She is a mother to two children, would love to find time for tennis and enjoys cooking
