VIEW NATIONAL CONVENTION 2025

Community Walk with VIEW

The finale to our National Convention is a special time for reflection with VIEW friends and members of the local community.

Commencing at the Brisbane Convention and Exhibition Centre, our walking tour follows a very scenic route showcasing the best that Brisbane has to offer.

Wear something purple & bring your friends to Walk with us!

A shorter route is planned for those who would like a shorter walk.

Both routes finish at the river end of Queen Street Mall so that we can all walk down the Mall and arrive at City Hall together for a great photo opportunity, and to say farewell to Brisbane!
